SHOW RULES

General Regulations

- No horses or ponies will be allowed in any Hunter, Jumper or Equitation class ‘hors concours’ during the competition.
- All persons must wear a back number when on horseback anywhere on show grounds.
- Competitors competing with an incorrect back number may be refused an award at Management’s discretion. Numbers are assigned as per the official entry form, and any change that is not documented by the Show Secretary may be considered a misrepresentation of the identity of the entrant.
- No mounted exhibitor may wear or carry an electronic communication device (i.e. cellular telephone, pager, walkie talkie, etc.) while in competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A handicapped participant may use electronic devices if, prior to the class, he/she presents to the EB Steward written justification from treating personnel setting forth the necessity for the equipment.
- Riding anywhere on the competition grounds with stirrup, stirrup leather or foot tied or otherwise secured is cause for disqualification, by the steward, of that rider from the subsequent class in which the rider is entered. In the case of junior or amateur riders, the steward will note the trainer name(s) on the Steward’s Report and further disciplinary actions may be taken by the Federation.
- Competitors are prohibited from using a whip that is longer than 30” (75cm) while in the process of jumping or schooling over fences. A rider may not carry more than one whip. Whips that are weighted at the end are prohibited at any time.
- Draw reins and German Martingales may only be used when schooling. Ponies may not be ridden by a Junior in draw reins or German martingales at any time. No other head set devices (chambon, etc.) are permitted in any class.
- The total maximum weight of equipment allowed to be added to a Horse’s leg, front or hind (single or multiple boots, fetlock rings, etc), is 500 grams or 17.637 ounces (shoe excluded). Failure to comply with this paragraph will incur disqualification. Show Management reserves the right to change scheduled classes at any time or venue for any reason: for example inclement weather, time constraints or any other reason the Management decides is best for the competition and the horses’ well-being.

Safety

- In the case of a fall of an Athlete and/or Horse, the Athlete must be checked by the Event's medical service (or by a medical doctor if the designated service is not available); respectively the Horse must be cleared by the Veterinary Delegate, before the Athlete and/or Horse can be permitted to take part in any further Competition at the Event.

Headgear

- It is compulsory for all persons to wear a properly fastened protective Headgear with a three point retention harness at all times when mounted. If an Athlete chooses to remove his/her Headgear at any time, whether permitted or not by these rules, such removal shall always be entirely at his/her own risk.
- Equitation and Hunter classes: While competing in a class, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her performance without penalty or elimination. A judge may, but is not required, to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider.
- Jumper classes: An Athlete who loses his/her Headgear or whose retention harness becomes unfastened during the course of his/her round must recover and replace it, or in the case of the retention harness becoming unfastened must refasten it. In such case, the Athlete will not be penalised for halting to retrieve his/her Headgear and/or refasten the retention harness, but the clock will not be stopped. An Athlete who jumps or attempts to jump an obstacle with a retention harness incorrectly fastened or not fastened will be eliminated unless the circumstances rendered it unsafe for the Athlete to stop immediately in order to refasten the harness (e.g. if the harness becomes unfastened in the middle of a combination or one or two strides before the obstacle in question).

ALL CLASSES AND DIVISIONS FALL INTO ONE OF THREE DISCIPLINES: EQUITATION, JUMPER AND HUNTER CLASSES. CLASSES DESIGNATED AS 'MEDAL' CLASSES ARE EQUITATION CLASSES. ALTHOUGH THE THREE DISCIPLINES MAY LOOK SIMILAR TO THE OBSERVER, THEY ARE JUDGED VERY DIFFERENTLY.

EQUITATION CLASSES

Class Procedure

1. When the class is held in a ring, the performance starts as the competitor enters and ends when he leaves.
2. In the event of elimination, the horse must exit the ring immediately.
3. In the case of the jump(s) falling over due to weather or act of God, the rider must remain in the ring until receiving instructions from the judge(s) or be eliminated. In this instance, the decision of the judge(s) is final.
4. Martingales are not permitted in Under Saddle classes.
5. Martingales are permitted in classes over obstacles and in the jumping phase of classes requiring both jumping and flat work. Changing of bits between phases is permissible
6. In cases of broken equipment or loss of shoe while competing, the rider or handler may choose to continue without penalty. If they decide to stop to address the situation that rider/handler will be eliminated. This rule does not apply to protective headgear.

Faults (For rules applying to Bahamas Interscholastic Equestrian League competitions see BIEL Rulebook.)

Equitation classes are judged on seat, hands, guidance and control of mount.

Except for refusals jumping faults of the horse are not to be considered unless it is the result of the rider's ability. Unless a knock down is caused by a MAJOR rider error, it should not be considered a MAJOR riding fault.

The following constitute major faults:

- a. refusal
- b. loss of stirrup
- c. trotting while on course when not part of a test
- d. loss of reins.

The following constitute elimination:

- a. fall of horse and/or rider (rider shall not remount in the ring)
- b. three cumulative refusals (except in Medal Finals, e.g. the Bahamas Junior Classic, when two refusals in any phase result in elimination)
- c. off course
- d. trotting or cantering through the in-gate or out-gate.

In the event of an elimination, the rider must exit the ring immediately. If elimination occurs during a ride-off, the competitor is placed last of all those chosen for the ride-off but placed before any riders not participating.

Attire

Exhibitors are required to wear breeches or jodhpurs in grey, beige, or khaki. Riding shirts or rat catchers can be sleeveless, short sleeved or long sleeved in tasteful colours, with chokers. Polo shirts and chaps are not permitted. Boots must be brown or black. Gloves and jackets are mandatory. Approved protective headgear is mandatory. Management or Judge may eliminate an exhibitor who is inappropriately attired. Safety vests are not allowed.

Equipment

Judges may penalize but not eliminate a horse or pony that competes in unconventional tack. Judges must eliminate a horse or pony that competes in illegal tack

- Boots and conservatively colored bandages are permitted on the legs only. An entry will be eliminated for competing with a belly band, or a wrap or bandage anywhere other than the horse's legs.
- In Hunt Seat Equitation classes legal bits include snaffles, pelhams, kimberwicks, or full bridles. Illegal bits include, but are not limited to, two rings, three rings, gags (other than the hunter gag), et cetera. Regular cavesson nose bands are required. Illegal nosebands include but are not limited to, drop, flash and figure eight nosebands.

- In Jumper Seat Equitation classes legal bits include snaffles, pelhams, gags, kimberwicks, and two or three ring bits. Full bridles may be used. Legal nosebands include leather cavesson, flash, drop and figure eight. Bit converters may be used. Blinkers are prohibited.
 - White contour shaped saddle pads are required except in Jumper Seat Equitation where a full saddle pad may be used.
-

JUMPER CLASSES

A Jumping Competition is one in which the combination of Horse and Athlete is tested under various conditions over a course of obstacles. It is a test intended to demonstrate the Horse's freedom, its energy, its skill, its speed and its obedience in Jumping and the Athlete's horsemanship. If an Athlete makes certain Faults such as knocking down an obstacle, refusing, exceeding the time allowed, etc. he/she incurs Penalties. The winner of the Competition is the Athlete who incurs the least number of Penalties, completes the course in the fastest time or gains the highest number of points, depending on the type of Competition.

National Jumping competitions are held under FEI Jumping Rules and may be modified by National Regulations.

Jumpers are scored on penalties incurred between the starting line and finish line. A competitor, after receiving the signal to begin his/her round, is not being scored until crossing the starting line in the proper manner. Penalties may apply for late falling rails:

- a. after crossing the finish line but before leaving the ring, or
- b. before the tone sounds for the start of the next round.

Penalty faults include disobediences, falls, knockdowns (while in the process of jumping an obstacle) and time penalties. No more than one penalty may be scored at each attempt. If an obstacle is knocked down or displaced for any reason other than it was caused by jumping or an attempt to jump, no penalty is incurred.

Verticals. When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized.

Spreads. When an obstacle to be taken in one effort is composed of several elements not in the same vertical plane (i.e., oxer, triple bar, etc.) faults at more than one element are penalized only once

Combinations. In combinations, the faults committed at each element are scored separately. In case of refusal or run-out at one element of a combination (and upon the judge's signal that the obstacle has been reset, if necessary), the competitor must rejump the entire combination.

Broken Equipment. In cases of broken equipment or loss of shoe, the rider must continue if he wishes to avoid penalty, or may retire.

Setting a Standard. After the first round of the first class in any section, management or the judges may order a competitor from the ring when it becomes evident that their performance prohibits them from being in the ribbons.

Courtesy Fence. An eliminated competitor has the right to make one attempt to jump an additional single obstacle, which the judge(s) may designate, but may not continue thereafter. (Exception: The right to attempt an additional obstacle does not apply in the case of the fall of the horse or rider.)

Exiting the Arena. Any competitor who does not leave the ring promptly at the end of the round or after being eliminated is liable for a fine of up to \$100 payable to The Federation, and may be disqualified from future classes during the competition at the discretion of the judge(s). Any competitor at the end of his/her round who does not leave the arena through the designated gate(s) (e.g. jumping out of the arena), is eliminated.

Definition of Competed. A competitor is considered to have competed only after he has entered the ring, and received the signal to start. Competitors who are unable to complete the first round of a competition have no right to any prize, with the exception of Fault & Out, Gamblers Choice or other classes with special rules with requirements as to the finish.

Failing to Complete. A competitor failing to complete a particular round shall have the reason recorded on the judge's card as follows:

- a. Withdrew (WD), or did not start (DNS) indicates that the competitor failed to enter the arena within one minute of being called. The time for entering the ring must be enforced by management. To prevent unfairness to an exhibitor, management may extend the time for entering the ring.
- b. Retired (RT) indicated that the competitor voluntarily retired prior to completing their round.
- c. Eliminated (E or EL) indicates that during their round the competitor was eliminated by the judge for any of the various reasons indicated in these rules.
